Cool, Summery Frocks of Sheer Materials

New Things Unusually Attractive for the Heated Term

A fleeting glance at the calendar warns us that June is almost at hand—June, the month of brides with their wonderful trousseaux so dear to them and their journeys to "The Land of Heart's Delight" accompanied by a few old shoes and many good wishes—June, the month of summer travel, when so many hie themselves to the mountain or seaside resorts, there to remain until cooler weather arrives. In consequence, there is always a large demand, among many other things, for light, comfort-giving frocks for misses and women.

Anticipating the wishes of our patrons we have just unboxed many smart frocks of sheer materials in a wide variety of individual styles—attractive things for the regular hotel dances or those little informal affairs so hurriedly gotten up and so pleasant, after all, for morning shopping, when one always obtains the best service from salespeople bright and refreshed; for dinner or for almost any other occasion.

These airy, billowy frocks consist of Organdies, Voiles, Nets and Ginghams, as well as Organdie combined with Gingham or Organdie with Net; they are shown in purest white, flesh color, maize, orchid, rose, navy, copen and Nile. These frocks are all really priced moderately.

The Organdies . . . \$15 to \$39.50 The Nets \$15 to \$69.50

The Voiles \$9.95 to \$34.50 The Ginghams . . . \$5.95 to \$29.50
